

Dance Volunteer Form

The Bluemont Dances couldn't happen without the help of dedicated volunteers. If you enjoy the dances and the music, consider lending a hand! There are lots of different opportunities, both during the dances and at other times, so there's something to suit almost everybody. Helping out at a dance doesn't mean you have to miss out on the fun, either—most jobs don't take all that long.

Let us know what you're interested in and how to reach you, or talk to the dance coordinator. Thanks for helping out! So you know what you're getting yourself into, we've included info on many of the regular tasks for the dances.

I'd like to help...

- Take a shift at the admission table.**
We try to have several folks take turns (usually two dances long), so nobody has to sit out all night
- Set up before the dance.**
Help unload equipment, set up admission and refreshment tables, fill water cooler, etc.
- Strike after the dance.**
Pretty much the same as above, but in reverse
- Sweep the dance floor.**
At the break or after the dance
- Run sound.**
Set up sound equipment before the dance, run sound check with the musicians, adjust as necessary during the dance
- Distribute flyers.**
We usually do two schedule flyers per season, and like to get them posted throughout the community and carried to other dance events
- Help with publicity.**
Submit announcements to newsletters (FSGW, BFMS, etc.), help gather info/pictures of performers for press releases
- Help with hospitality.**
Sometimes, out-of-town performers need a spot to stay for the night, after a dance
- Other:** _____
- I can't get enough.**
I want to join the dance committee.
- I'd like to help with other kinds of Bluemont Concert Series events (concerts, school programs, etc.)**
